St Mary Queen of Martyr RC

Dear M. Brown,

I thank you for coming to our classroom and telling us all the nice ways you do in the church to make us do the same. Also, I thank you for giving up your time just to make people happy.

Firstly, you do so many jobs and it must be so hard for you but you are so consistent to do it all! Like being a Eucharistic minister. It looks to when Samuel got called to do something and like you said you got called to do all this.

It's not just me who thanks you so much it's my whole phase / Phase 2.
Thankyou!

Yours Sincerely,
Eva C.

How does Mr. Brown use his calling?
To share the gift of joy with the people, giving the gift of God.

Greeter
The greeter welcomes the visitors into the parish community and makes them feel welcome into the church. We come to pray together in Jesus' home.

Alter servers
They help and prepare the bread and wine of Christ. They get it out for the celebration of the Eucharist because they want to make a difference in the church.

Musicians
The musicians practice for the Mass because they want to make it perfect for the Mass. I think they have a brilliant talent.

Priest
He/she puts on their vestment and kisses the altar to show that they love Jesus and want to show that they really love them. They say in the name of the father to welcome God. They say in the name of the son for the same reason. And for the Holy Spirit too.
