

Dear Parents, Carers, Grandparents and Friends of St Mary Queen of Martyrs Academy

The Friends of the School are busy preparing for an event with **Year 1 and 2 children** to encourage them to think about giving rather than getting!

SANTA'S SECRET WORKSHOP!

On **Tuesday 6th December** the children can bring **£1** to school. They can buy a gift for their parent, carer or grandparent. They will help to wrap the gift, write a message on the label and then take it home to give at Christmas.

To enable this to be a success we are asking for donations of small unwanted gifts suitable for adults. Examples of gifts that the children bought last year included costume jewellery, purse, small ornament, picture frame, fancy socks, gloves, scarf, puzzle book, diary, pens, notebook, toiletries, chocolate or toffee bar....etc.

Any profits raised will help the Friends of the School to buy exciting things for the school. **Please support by sending an item into school by Monday 5th December.**

Thank you
