

## Foundation Stage Autumn 1

### Maths:

FS1- learning a new number rhyme every week with actions, talking about numbers that are important to us and experimenting with number mark making.

FS2- say number names in order, using numbers in the environment. Measuring various objects and each other, using money, add/subtract using equipment and solving problems.

### Literacy:

FS1- mark making everywhere! We will use lots of different mark making tools to experiment with, both indoors and outdoors and practise writing our name.

FS2- practise writing letters correctly, writing our names and begin to write in sentences using our phonic knowledge.

### Reading:

FS1- begin to look at handling books with care, read some familiar stories and join in with repeating text.

FS2- begin to look at Fiction & Non-fiction text and begin to use new vocabulary (blurb, author, illustrator, contents page and index).

We will be reading 'Aliens love Underpants' by Claire Freedman & Ben Cort.

### Knowledge & Understanding:

We will be looking at our Solar system and the different planets. We will be comparing Earth to the other planets.

### Technology:

We will be looking at video clips of the moon landing and those people who achieved it. We will be using different pieces of software to support our learning.

### Expressive art & design:

We will be creating repeating patterns and designing our own aliens. We will be making rockets and various space crafts. We will be listening to and learning some space songs.

### Physical development:

We will be developing our gross motor skills when playing outdoors and during PE. During our PE sessions we will be creating our own dance sequences to space music.

Autumn  
term 1

Topic  
Space

### PSED:

We will be discussing how we can make everyone welcome. We will talk about following rules including our class & school rules.

### R.E.

Our topic is 'Myself.' We will be learning about how Jesus loves us and knows us all by our name.
