

9th January 2020

Dear Parents/Carers

As you will be aware, reading and phonics are a key part of your child's education when they are in Year 1 and Year 2.

Your child has been learning the different sounds that make up words in phonics; reading regularly in school and also taking their reading book home.

On Tuesday 21st January, you are invited to a Reading and Phonics information meeting at 3pm, in Mr Hermann's room. During this meeting, we would like to give you information on the following things:

- What the Read Write Inc Phonics programme is, and how you can help your child at home.
- What happens when your child has finished the phonics programme.
- Reading books – which reading books they should be taking home on an evening.
- How we are helping your child with spellings and how you can help at home.

If you would like to attend this meeting, please indicate on the reply slip below and hand it back in by **Friday 17th January**.

We look forward to meeting with you.

Yours sincerely,

Mr Hermann (Reading manager)
