Headteacher
Mrs P Graham

4 February 2016

Dear Parents/Carers,

After completing the analysis of the end of Autumn term testing, it has come to our attention that the pupils who are **regularly late in the morning and the persistent absentees** are generally the pupils who have **not** made the expected progress or achievement. We do understand that there may be exceptional circumstances when your child may be late or absent on occasions, but we have some pupils who are always late or continually absent and it is having a detrimental effect on their education.

It is vitally important that your child/ children are on the playground at **8.45 am** prompt ready for the morning learning day ahead. The registration word work starts promptly at **8.50 am**. We have also changed our morning timetable, so we now have the teaching & learning of Mathematics at **9.05 am**.

In future, if your child is late for school, you will be asked to sign a slip so that you know that your child is late and will be missing part of their morning lessons. Lateness and persistent absence will continue to be monitored and you will be invited for an interview with the Headteacher if your child is continually late or absent from school.

Thank you for your support in this matter.

Yours sincerely

PA Graham
