

Dear Parent/Guardian,

As well as the overall letter you have received from Mrs McIntosh, this is an extra sheet of information for the pupils in our phase. The Spring and Summer terms are in many ways the most important of the academic year. This is when we often see the pupils make the most progress on their academic journey. We have provided a range of activities to help you keep your child's body and mind active throughout this period away from school. We know this may be a challenging time but we hope the pupils' enthusiasm for learning will continue while at home.

In your pack you will find:

- Log ins for Eedi (maths), Seesaw QR code, Times Table Rock Stars, Read Theory
- Maths activity booklet
- Art activity sheet
- RE activity
- Science: Sound survey and skeleton activity
- Topic home project sheets
- Spelling words and activities
- Reading comprehension sheets
- Grow your own peas
