

6<sup>th</sup> July 2018

Dear Parents/Carers,

Next Friday 6<sup>th</sup> July will be Sports Day for Year 1 to Year 6. This year Sports Day will run from 10am until 2.30pm. The whole of Sports Day is open to parents and relatives of the children.

There will be 3 activity sessions, 2 in the morning from 10am until 12pm and 1 in the afternoon from 1.15pm until 2.30pm.

There are 3 activity areas - Fun Zone, Sports Arena and Athletics Track. There will be a board displaying where each country is competing and at what time.

We fully encourage you to follow children around as they move from area to area.

You are more than welcome to attend any of the sessions. Each child will be part of a country from around the world and will be represented by a colour.

Don't forget to complete the USE OF Mobile phone and Digital Photography form to enable you to take photos on the day.

Refreshments will be on sale on the day through our Friends of the School and the money raised from them will be put back into new and fun playground equipment for the children.

Also we will be allowing the children to have a picnic with their parents and families in a designated area during the lunchtime period. If you would like to join your child/ren for the picnic please fill in the registration slip available on the school app within 'Let Us Know About...'. You will not be able to stay on the school grounds over the lunch period if the registration slip on the app is not completed. Please can you ensure that if you are attending the picnic lunch that no hot food is brought in i.e. takeaway as we are trying to keep it a fun, active and healthy day.

We hope you enjoy Sports Day as we want it to be an enjoyable day for both children and parents alike.

Thank you for your continued support

Mrs AE McIntosh  
Interim Head of School
