22nd November 2019

Dear Parents & Carers,

Poppy Appeal

Thank you for supporting this very worthy cause: this year we raised £270.14 which is a fantastic amount of money and will really go a long way to supporting the welfare and benevolent work of the Royal British Legion. A truly Christian response.

Bags to School

Thank you for your donations of unwanted clothes – we received 214kg which converted to £64.20 being raised.

Pyjamas

Many thanks also for the many donations of pyjamas which children have outgrown and no longer need. Mrs Kelsey is taking them to the Women's refuge this week to pass on to families in need. Your kindness will really make a difference.

Spectacular Science Show

This week the children enjoyed a free Science Show delivered by the astronomer and TV presenter Mark Thompson. The children thoroughly enjoyed seeing the experiments, which included flames, smoke and bangs! The show was sponsored by Air products UK and the aim was to enthuse our children further about science. Many thanks to Mr Guthrie who brought this show to our school and gave the children a great experience. If you want more information and ideas for experiments, go to Mark Thompson's website or follow him on Twitter.

Dogs on the school site

It has been brought to my attention that some people are bringing dogs onto the school site. Unfortunately, this is against our school rules, even when small dogs are being carried.

Mobile phones

In line with our safeguarding policy, can I remind you that phones must not be used whilst on the school grounds. If there is an emergency, please go to the school office, where you will be allowed to make calls.

Thank you for your continued support.

Yours sincerely,

Mrs A E McIntosh
