

6th September 2019

Dear Parents & Carers,

Welcome to a new academic year: I hope you had a wonderful summer with your children. It has been lovely to welcome them back this week. They all look amazing and have settled very quickly into their new classes and sets. We are pleased to welcome several new members of staff to our team: Miss Henderson in Phase 1, Miss Marston and Miss Richardson in Phase 2 and Mrs Pickard in Phase 3. Unfortunately, due to a change in personal circumstances, Miss Hau will not now be joining us.

Some of the extra-curricular clubs will start next week. It is important that Parentpay is used to sign up for clubs and pay the half termly charge (if required) **before** children are allowed to attend. Thank you for your support in this.

Our specialist music teachers from St Mary's College will be in school next week to speak to the KS2 children about instrumental tuition. There will be some opportunities for KS2 children to take up instrumental tuition for the first time.

Due to the number of children with food allergies, it is regret that we request that buns and cakes are not sent into school when a child has a birthday. Although it is a lovely thing to do, we have to protect our vulnerable children and do not want to take any avoidable risks. I hope you will be understanding and support us with this.

With this letter are the key dates for this term - please keep it safe so you know what is happening in school and also when there are opportunities for you to be involved in events. More details will be given by Phase Leaders nearer to the times.

Many thanks for your continued support.

Please bring into school any ALDI vouchers/stickers - Kit for Schools

Yours sincerely,

Mrs AE McIntosh
Interim Head of School
